

Purim 5770
March, 2010

Dear Friend;

We are dictated to prepare for Passover 30 days before the holiday.

Purim marks this exact 30 day period. It is noteworthy, that both holidays theme is redemption.

Enclosed you will find forms for all your personal Passover needs. Please fill out the forms and return them to our office in preparation for Pesach. Through these preparations, and Passover itself, we are assured by The Torah that we will be granted a year of redemption - free of anything which might ail us.

Both holidays also place an emphasis on helping those who are in need.

Assisting those in need is our form of offering them redemption. In its merit, we can hope The A-lmighty will mirror our actions and redeem us, amidst The entire House of Israel from its woe and suffering.

Purim it is one of the integral Mitzvot of the day. Passover it is the first part of our Haggadah at the Seder.

Clearly, special emphasis must be given to this important mitzvah in this economic downturn.

Our Chabad-Lubavitch of Greater Boynton brings redemption from woe to countless Jews. I can assure you that your additional, Maos Chittim, funds for Passover will be invested well in accomplishing this needed missive, by adding in this difficult time.

In the merit of doing so, with an open and generous hand – May the A-lmighty bless you and all yours with an open hand of abundance in everything you might need and want, starting with a Kosher, meaningful and Joyous holiday of liberation.

With every best wish,

Rabbi Sholom Ciment
